

Model ED-15W

Specification:

Electric designer series easy to use warmers (wet use only) model ED-15W or 120Volt unit with plug and cord model ED-15-WP. Designed as free standing or to be banked with other ED series equipment. Each model 15"(381mm) wide x 24" (610mm) deep x 11 1/2" (292mm) high, easy clean design with stainless steel front and black painted sides, and stainless steel 6-3/8" (162mm) deep removable well ensuring quick draining and easy cleaning. Accepts series 200 12" (305mm) x 20" (508mm) or Gastronorm 1/1 cafeteria pans. An infinite switch with pilot light regulates heat.

Standard Features:

- Stainless steel front and black painted sides
- Easy clean design with recessed protected controls
- Stainless steel 6-3/8" (162mm) deep removable well for easy cleaning and draining
- Infinite switch controlled
- Heat-On indicator lamps
- One-Year limited parts & labor warranty (USA & Canada only)

Optional Features:

- Stainless steel body side
- Stainless steel back and bottom
- "CE" approval for model ED-15W, add prefix U, i.e. Model EDU-15W, "CE" approval not available for ED-15WP

Optional CSD Series Stands:

- Floor Stands: Heavy-duty stands of open design with seamless welded square tube leg and black finish storage shelf. Working height of all units on stands 35-1/2" (902mm). Stand widths available in 15" (381mm). Each unit must have its own stand. Example for ED-15W Warmer, specify compatible CSD-15 stand.
 - Optional: Stainless steel finish
 - Swivel casters W/front brakes; set of 4
