

*Model EFW500***Specification:**

The EFW500 is a lightweight, durable, wet-use-only Counter Food Warmer. The unit comes standard with a NEMA 5-15P cord and plug, which enables use in any location where there is an appropriate 120V electrical outlet. The 500 Watt warmer, with preset thermostat maintains a water bath temperature of 180°F - 200°F. The tank accepts 1/3-size pans up to 4" deep. Overheat protection is provided by a built-in safety high-limit thermostat. Operation is controlled by a single illuminated On/Off power switch.

Standard Features:

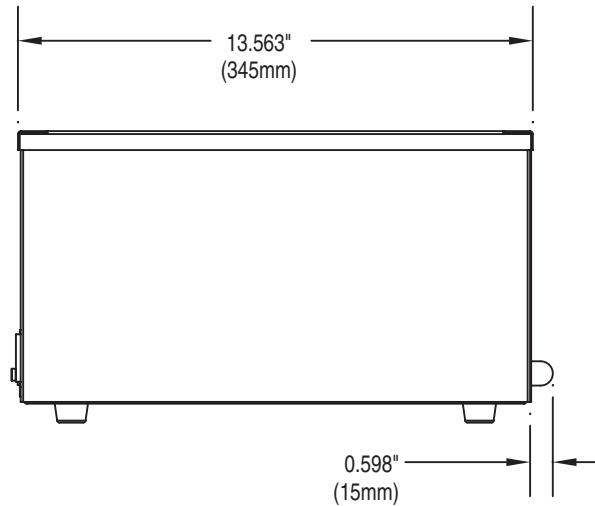

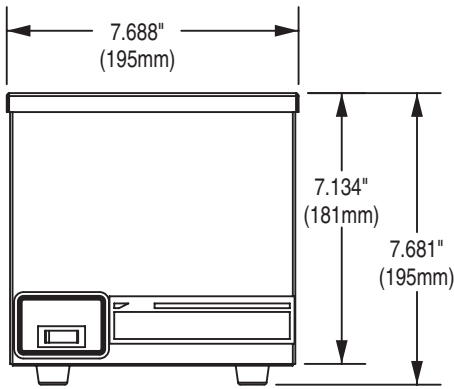

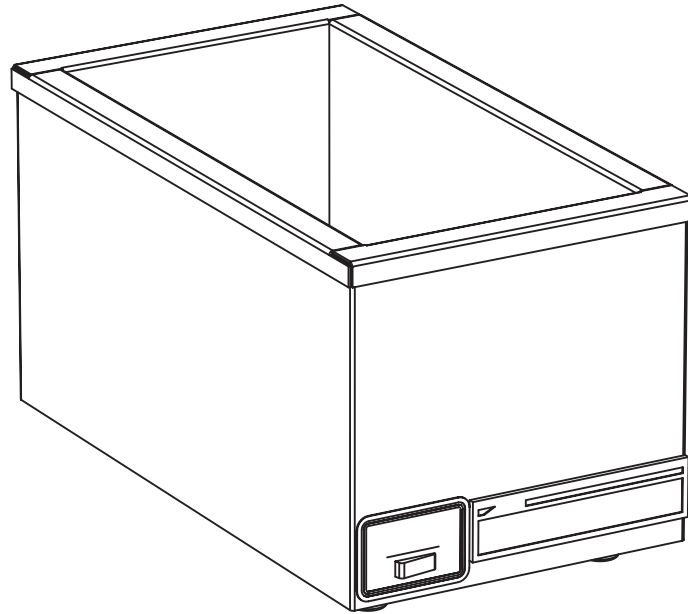

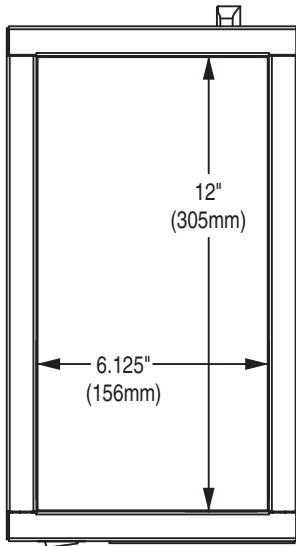

- Illuminated On/Off power switch
- Built-in, preset thermostat with high-limit control
- Stainless steel tank and exterior front and sides
- Power cord with NEMA 5-15P plug
- Pan capacity: one-third-size food pans up to 4" deep
- Limited 1-year factory warranty, (please call 800.427.6668 for warranty service instructions and details)
