RECOMMENDED STOCK PARTS

Please note that there are differences between the old and new casters, The new casters are .312" (5/16) shorter overall so in this case, would not be interchangeable. When replacing the old caster Garland highly recommends replacing all remaining casters with the new caster. both new and old casters use (5") diameter wheels.

First unit manufactured with the new casters:
 Model: CG-72R-0004
 Serial Number: 0410100108836
 Implementation Date: October 25/2004

2290404 - Pilot Assembly Natural Gas
2290401 - Pilot Assembly Propane Gas
